

CALIFORNIA TAN **SPRAY TANNING**

sunless™

Prep Guide

- 1 Remove make-up & jewelry and undress**
 - You may wear a bathing suit, undergarments/lingerie, or nothing at all
- 2 Apply hair cap, barrier cream, nose filters, eyewear & lip balm**
 - Place hair cap over hair, leaving hairline and ears exposed
 - Apply barrier cream evenly and generously to tops and bottoms of hands & feet, including nails & cuticles
 - Insert nose filter and apply lip balm and eyewear
- 3 Step into the Spray Tanning Towers and face the tower marked "TAN"**
 - Place feet on oval foot pads
- 4 Press the red button**
- 5 Stand with arms at your side**
 - 4 inches away from your body with palms facing away from "TAN" Tower
- 6 Follow the voice commands**
 - Voice will lead you through the entire spray experience, including telling you when to turn around
- 7 A 60-second drying session will start automatically**
 - Turn and move your body as needed to fully dry any areas that may feel damp or wet
- 8 Your California Tan Sunless experience is now complete**
- 9 Prior to dressing, carefully wipe away barrier cream**
- 10 Check the room for your personal belongings**
 - Ask your salon representative how to extend and care for your beautiful sunless tan
